Subject: Ocean View School District Bolsa Chica Property

Dear Board Members:

The recent decision by the State to purchase the Hearthside Homes property in the Bolsa Chica has regenerated concern in the community about the Bolsa Chica property owned by the Ocean View school district.

This sale means the property surrounding the Ocean View parcel will not be developed. It is also unlikely that any type of infrastructure service to the Ocean View property will ever become a reality.

Therefore, we believe it would be in order for the school district to proceed with sale of this property while Prop 50 funds are still available.

Sincerely,

Edward Kerins
President
